# **TERMS OF REFERENCE FOR A DRAFTING WORKSHOP FOR CONSERVATION AND MANAGEMENT PLAN FOR BOTTLENOSE AND COMMON DOLPHINS**

**TERMS OF REFERENCE FOR A DRAFTING WORKSHOP FOR CONSERVATION AND MANAGEMENT PLAN  
FOR BOTTLENOSE AND COMMON DOLPHINS**

**Aim:**

The aim of this workshop, is to gather **bottlenose and common dolphins** experts in the ACCOBAMS Region to take the outline draft CMP presented to ACCOBAMS SC12 and finalize a draft CMP for **bottlenose and common dolphins** to be presented to the 14<sup>th</sup> ACCOBAMS Scientific Committee Meeting in Autumn 2021 for comments and then for adoption by the ACCOBAMS MOP in 2022.

The workshop participants will discuss develop fully each suggested action (adding new actions if needed), assign priority levels, a timetable and a suggested budget. An initial coordinator and a steering group will also be proposed and nominated.

**Tentative date and place:**

Planned for 5 full days in autumn 2020, in Tunis

**Draft list of invited participants based on the list of experts presented in the document “Progress report regarding other species Conservation Management Plans (CMP) in ACCOBAMS” (ACCOBAMS-SC13/2020/Doc13) - to be finalized with the 2 CMP coordinators and taking into account available funds**
