

FIFTH MEETING OF ACCOBAMS NATIONAL REPRESENTATIVES

12 -15 July 2021

Instructions for the Online Meeting on the ZOOM Platform

Before the start of the Meeting

- Participants should take a moment to check the equipment, the state and the quality of the connection, in order to minimize the risk of time loss. Solutions exist to detect beforehand any hardware malfunction (misconnected cables, defective peripherals, etc.).
- It is recommended that all participants connect 10 minutes before the start of the meeting July 12, 13, 14 and 15, 2021 so that everything is ready and the Secretariat is given the time to solve any technical issues. With a busy agenda it is important that the meeting starts on time.
- When connecting to the meeting participants are asked to display their COUNTRY followed by their first name and NAME (example: MONACO - John DOE)
- All participants are asked to insert the image sent together with these instructions as a virtual wallpaper on Zoom (details on how to use this feature are available here: <https://support.zoom.us/hc/en-us/articles/210707503-Virtual-Background>).
